

WALKAWAY offers you the choice of four upgrade options for the flexibility you need on a loan or lease in today's unpredictable economy.

The average loan today takes five to seven years to pay off. You could spend more than half that time 'upside down' on your loan — leaving you vulnerable in the event of life changing circumstances.

WALKAWAY® gives you the peace of mind you need in today's uncertain world. Return your motorcycle and walk away from negative equity — keeping your credit rating and savings intact!
