

Increase Commissions By Providing Your Customers The Protection They Need: Simplicity Vehicle Protection[®]

Simplicity Vehicle Protection offers a variety of vehicle warranty products you can use to differentiate your agency from the competitor down the street. And, they increase the value you offer to your auto and homeowner insurance customers while building net commissions and customer retention. It's a fact - consumers are holding onto their vehicles for longer periods of time and looking for ways to protect their pocketbooks from the costs of vehicle ownership. They will be thanking you for helping them get into an Ultimate, Deluxe or Powertrain extended warranty the first time their car goes into the shop.

Simplicity Vehicle Protection is uniquely customizable to fit your company's needs according to features, pricing and marketing approach.
