PROTECT YOUR FINANCES FROM BELLY FLOPS AND BOTTOMING OUT

If your powersports product is deemed a total loss or stolen, GAP Protection works alongside your insurance policy and may cover the difference between what your insurance would pay and what you owe on your loan.

Without GAP Protection, you could be responsible for thousands of dollars out of pocket for a vehicle that you can no longer enjoy, even after your insurance settlement.

GAP PROVIDES:

- ✓ Worry free protection and can help protect your credit
- ✓ Up to 84 months of protection for your loan
- ✓ Primary insurance deductible reimbursement of \$1,000

Loan balance at time of loss	\$20,000
Insurance payout	\$16,000
You still owe after your insurance payout:	\$4,000
<u>PLUS</u> you no longer have a vehicle.	

Factors that make it more likely that you owe more than what your vehicle is worth:

- ✓ Long-term loan
- ✓ Minimal down payment
- ✓ Expensive vehicle
- ✓ Negative equity from previous vehicle that was rolled into your new loan

See contract or waiver for details.
